Conception:

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality.

Every school and college conducts alumni meet where they call all passed out students and let them interact with each other. It is not only about maintaining a good relationship or connection with the passed-out students but also the alumni meet makes an institute feel proud of its alumni.

Objective:

To re-unite in the nest from where we grew and flew off.

To provide job opportunities to fresh bachelors through references of professionals.

The aim of the meet is to acknowledge the contributions made by ex-students.

Their ex-students a chance to meet each other and relive the memories.

To conduct orientation and training programs to students on various topics to enhance their skills.

To create awareness among students about the scope of their subject in the professional world.

To provide a platform for students to develop their qualities.

To participate in social welfare activities for social accountability.
